So you've written a novel, but you don't know how to grammar. Or you've come up with the Next Big Thing in online gaming but detest writing code. Maybe you just need an online portfolio or website, but you don't have the time. If you have a story to tell, but the logistics are a bother, don't even worry about it. We've got you.

At Authorial Amenities, we have a history of turning the most aspirational dreams into realities. According to legend, our brand was forged in the creative fervor of the Bithagen community over forty years ago, and we stay true to our roots. We make it our mission to bring your story to life. We fill in the gaps and pave the road to excellence. We understand the power and beauty of story, and give each one the respect and care it is due.

We accord you with similar respect. We are committed to meeting your requirements exactly and providing the very best service. Our small team of visionary artists and technicians have a proven record of excellence. We are proud to be named the number one business across all industries nationally for customer satisfaction by the Babbage Observer and the Capitol Times, and we tirelessly work to become even better.

Our service is simple. We pick up wherever you decide to leave off, and we work closely with you to see your masterpiece through to completion. You can choose from a total of twenty service packs, each tailored to a specific stage of the storytelling process. Mix and match to score a hefty discount. We stand by each service with long-term support options and a money-back guarantee if things don't work out.

All service packages are available through our no-fuss online shopping experience. You can select any of the following options (with more to come!):
